## Travelling to the hospice

### By car:

The hospice is centrally located and easy to access, just a few minutes drive off all the major motorway exits. Parking is limited on site, and we encourage visitors to park in adjacent streets.

### By bus:

A number of bus routes travel past the hospice, including the Link Bus, stopping right outside on College Hill. For information about bus routes and timetables from your area, please visit [www.maxx.co.nz](http://www.maxx.co.nz).

### Parking:

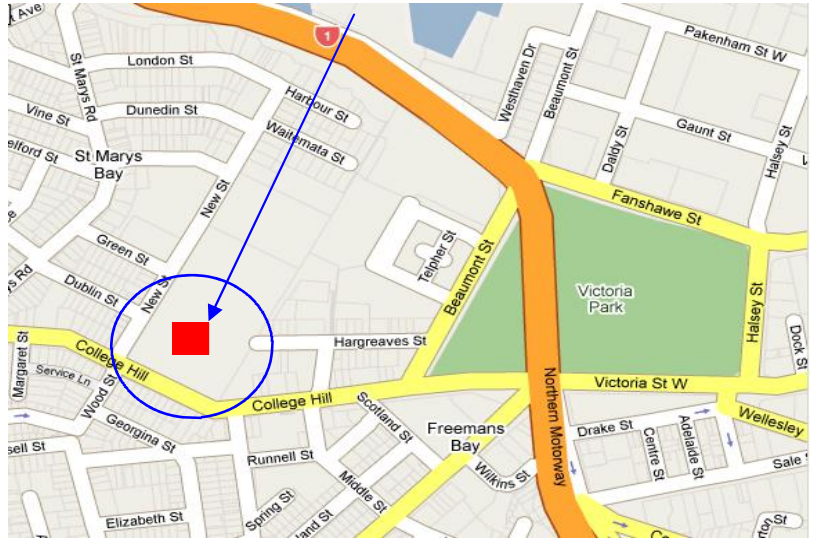

There is limited parking onsite for patients' families and visitors only. Please park down New Street (which is the small side street beside the hospice) or the numerous side streets off New Street. There are spaces with no time restrictions available. We do appreciate your co-operation.

### Refunds Policy:

If you wish to cancel from the workshop after payment has been received, a refund will be given, and providing notification is received one week prior. As workshop fees include catering and workshop materials, no refund will be available through non-attendance.
