www.mercyhospice.org.nz

is invited to a Tea Party for Mercy Hospice Auckland.

Mercy Hospice Auckland provides palliative care to the Auckland City region, caring for over 260 patients at any one time, both at the hospice on College Hill and throughout the community.

All services are provided free of charge, which is why they need our support. Mercy Hospice Auckland needs to raise more than \$2 million a year over and above the Auckland District Health Board funding. By coming to my Tea Party and donating a gold coin or more, we can help Mercy Hospice Auckland continue to provide their care to our community, free of charge.

Tea kindly supplied by

The comforting cup of tea hails from the days of the founder of the Sisters of Mercy Catherine McAuley back in the mid 1800s. It has since become a symbol of the kind of support, comfort and hospitality that you find at Mercy Hospice Auckland.
